About Me

I'm someone who loves being outdoors and making the most of life with my family. My husband and our three daughters mean the world to me, and some of my favorite moments are the simple ones we spend together. We love being active, especially swimming and playing softball, and I enjoy creating fun memories and enjoying every adventure along the way. Family, togetherness, and making the most of every day are what make me happiest.

My Family

My family is my greatest blessing. I'm so lucky to have three beautiful daughters, Lilliana (8), Nevaeh (11), and our newest little love, Emmy-Rose (4 months), along with my wonderful husband, Tyler. We love spending time together and making memories that will last a lifetime. Whether we're taking a family vacation, camping under the stars, exploring new places, or simply enjoying time together at home, we cherish every moment as a family. Our girls bring so much love, laughter, and joy into our lives, and we're grateful for every adventure we get to share together.

Why I Love Working with Children

I love working with children because every day is different and full of joy! Seeing their faces light up when they learn something new or accomplish something they're proud of is the best feeling. I love being a part of their growth, encouraging their creativity, and helping them build confidence in a safe, loving environment. It's truly a blessing to make a difference in their lives.

Why I Love FSLA

I love working at First Steps Learning Academy because it feels like family. The supportive environment, amazing staff, and dedication to our children's growth are what make FSLA so special. I'm proud to be a part of such a caring and inspiring team!
