All About Ms. Courtney

PreK2 Teacher

"Creating a safe, loving, and fun place where little learners can **GROW, EXPLORE,** and **SHINE** every day!"

A LITTLE ABOUT ME

I love to go horseback riding, woodworking, fishing, and almost all arts & crafts. My favorite colors are **green, dark purple,** and **black.** I also love **dark chocolate!**

MY EXPERIENCE

When I was 12 years old, I started working with children by helping teach children's church and working in the church's nursery. When I was a teenager, I volunteered at the daycare that my mother was the director of.

WHAT I LOVE ABOUT FSLA

I love being part of the FSLA family! It's inspiring to work with amazing teachers and staff who truly care about the children. The support, teamwork, and positive environment make FSLA a special place to teach, learn, and grow together!

TEAMWORK

SUPPORT

KINDNESS

GROWTH

MY FAMILY & HOME LIFE

I recently moved to the area after retiring from the US Navy. I just got married Oct 2025 and now we are expecting our first child! We own 3 large dogs, 2 of which are huskies.

I grew up in SW Florida as the middle child with one older sister and a younger brother.

When I was a child, my mother was a kindergarten teacher and when I was a teenager she was the director of a daycare, where I would get to help with the children when I was out of school.

WHY I LOVE WORKING WITH CHILDREN

I love being a part of little ones' learning journeys! Watching children grow in confidence, curiosity, and kindness every day is the most rewarding part of what I do. I strive to be a positive, caring, and encouraging presence in their lives as they discover the world around them.

FUN FACTS

- Horseback riding clears my mind
- Fishing is my happy place
- Woodworking is my creative outlet
- All crafts are welcome here!
- Dark chocolate makes everything better!

I CAN'T WAIT FOR ALL THE ADVENTURES, LAUGHTER, AND LEARNING WE WILL HAVE TOGETHER!
