ABOUT ME

My name is Sydney! Some of my favorite hobbies are shopping, swimming, fishing, and running. I love spending time with my boyfriend, friends, and family—they are very important to me! I also love playing with my dogs and taking them on walks.

Being outdoors, making memories with the people I care about, and spending time with my pets are some of the things that make me happiest. I enjoy trying new things, having fun, and making the most of my free time!

MY FAMILY

I was born and raised in Alabama, and my family has always been a very important part of my life. I have two sisters and one brother, and I am the middle child.

I am so lucky to have loving, supportive parents who have always encouraged me and helped me become the person I am today.

I also have three nephews who mean the world to me, and I love spending time with them whenever I can. My family is very close, and we enjoy making memories together!

Their love and support have taught me the importance of kindness, responsibility, and always being there for the people you care about.

MY EXPERIENCE

I have one year of experience in early childhood education and have gained great knowledge about child development, learning, and creating a positive environment for young children.

I am CPR certified and committed to providing a safe, caring, and nurturing environment where children feel comfortable and encouraged to learn.

My experience has strengthened my patience, communication skills, and passion for helping children grow and succeed!

WHY I LOVE WORKING WITH CHILDREN

Ever since I was young, I have loved caring for children, especially my three nephews. Watching them grow, learn new things, and reach important milestones inspired me to pursue a career in early childhood education.

The most rewarding part is knowing I can make a positive impact on their lives and help them develop the skills and confidence they need to succeed.

I enjoy encouraging children, celebrating their accomplishments, and supporting them through challenges. I am patient, caring, and understanding, and I strive to create a safe, positive environment where every child feels valued and supported. It brings me so much joy to be a part of their growth and learning every day!

ABOUT WORKING AT FSLA

I love being part of the First Steps Learning Academy family! I enjoy the positive environment, supportive staff, and the opportunity to make a difference every day. FSLA feels like a second home, and I'm proud to be part of such an amazing team dedicated to our children's success.

I BELIEVE...

Every child deserves a teacher who believes in them, celebrates them, and helps them shine!
